

DRESBACH TOWNSHIP,
WINONA COUNTY, MINNESOTA

A RESOLUTION TO CLOSE CERTAIN ROADS FOR THE WINTER

WHEREAS, the town board maintains a number of miles of roads within the township;

WHEREAS, the types and levels of uses are not uniform amounts on these roads;

WHEREAS, the board determines that some roads are used only occasionally or intermittently and are not needed for vehicular traffic during winter months.

WHEREAS, keeping these roads snowplowed and open during the winter places an undue drain on the township's limited road maintenance budget and, in some cases, is practically very difficult to keep some road open;

WHEREAS, Minn. Sta 164:152 authorizes towns to close and barricade town roads under their jurisdiction;

NOW, THEREFORE, BE IT RESOLVED, that the town board of Dresbach Township does hereby close the following roads or road segments, closing December 1 until April 1 (weather permitting) See website for updates

The road now known as Oak Hill Drive, Dresbach Township, Winona County.

BE IT FINALLY RESOLVED, that barricades shall be erected on the roads or road segment along with appropriate road closed signs.

Adopted this 20 day of February, 2018

By the Board

Chairman, Pat Burns
