-Call to order at 6:02pm

-Pledge of Allegiance

Kim read from her Board of Canvas agenda sheet explaining the process of canvassing after elections. This is done after every election where Dresbach has seats on the ballot. We have 10 days from the election to hold the Board of Canvas and this can be done at a regular monthly meeting if posted properly to inform the residents. There were concerns that this hadn't been done in previous years and it was assured that every 4 years, when electing new Dresbach Supervisors, that this process is done. It will also apply under any Special Elections where the township is involved.

Elections numbers from Winona County were provided and reviewed for errors. Kim explained that there can be discrepancies in totals due to absentee ballots received and any rejected ballots. Discussion All numbers were reviewed and balanced. **Dave made a motion to accept the canvassing report and number as presented, Tuan 2nd, vote 3-0 passes**

Due to both seats being a close race, both seats qualified for a publicly funded recount and request must be made in writing within 7 business days from the date of canvassing.

Adjourned 6:35pm
