Meeting called to order at 5:00pm

Public Comment Procedure: Comment form has been created and posted at the front of Town Hall for residents to fill out prior to each monthly meeting. Forms should be submitted to the Clerk or Chairman for approval. Limited to 2 minutes to speak on topic if approved. **Brant makes a motion to approve the Public Comment procedure and form, Nick 2nd, discussion, vote 3-0 passes**

Road Review update: Road review was done on Saturday, April 23 at 2:00pm. See minutes

Capital Reserve:

- Basement needs to be addressed regarding mold and electrical. This is a public safety concern
- Burns Valley should move up, probably won't last 10 years according to Jack Dittmar. 6-7 years to recoat. Questions regarding the old section. Will address the edges with gravel and patching. Will address wash boarding and other soft spots or holes from new section
- Vacating the small township roads off of Riverview (8) and Buehler Rd driveways (2). Need to research
- Morning Sun Drive-Met with MNDOT regarding the drainage ditch and discussed responsibility of said road and culvert by Solum property. MNDOT will address the drainage ditch when weather dries up the vegetation. Suggested a full culvert by Solum property. **NO MORE DUMPING OF YARD WASTE IN DRAINAGE DITCH!** Will discuss sending residents a letter.
- Old Mill Rd-Possible widening. Need cooperation from residents to locate stakes for each property or pay to have the surveying done.
- Town Hall, Park/Boat Landing, Equipment-Plan to sell 3 pieces of equipment and lease new truck
- Need to address culverts and marking with map on all roads
- Stop signs and other signage needs to be addressed
- ALL work on projects must be done with a work order.
- Gravel near grass edges needs to be cleaned up.

Thank you to Steve and Jay for helping build and review the Township Capital and Road prioritization
